My dear Captain:

Your letter of 30th Apr. was
received last night -

I beg you not to feel in the least
concerned about the horse - and
I leave the matter in your hands
to do exactly what is most
agreeable to you - You may
either send him to me, or
rather indicate to me that you
wish to turn him over (and I
will then send an order for
his transportation here) or you
may keep him as your own
and extend the time - or
you may keep him for your
use, as my horse, for your
riding - So far take any
Captain Morgan. course

course in the matter which
may be most agreeable to
you -

Very truly y^r friend
J. P. Jones
